2. Click “Available in the webstore”

4. And you’re done! Everytime you try to visit Amazon, you’ll be redirected to smile.amazon.com instead.

For Safari users

Install the SmileAllDay extension

2. Type “SmileAllDay”
3. Download the App
4. Go to your LaunchPad and lick on the Icon.

5. This should do the trick. Every time you type in Amazon.com it will directly take you to AmazonSmile

Bookmarks & Favorites

If you regularly use bookmarks and favorites to navigate the web:

1. Visit smile.amazon.com.
2. Create a bookmark or favorite. If you currently have Amazon bookmarked or favorited, replace it with the smile.amazon.com link.

If you shop at Amazon using your mobile device, you can still use Amazon Smile and help send kids to Camp.

From your Browser

If you regularly shop using Amazon using your mobile browser, simply navigate to smile.amazon.com and set a bookmark. Each time you open a new tab, click on your Amazon smile bookmark or enter “smile.amazon.com” as the url.

From the Amazon App

Unfortunately, you can't use Amazon smile directly through the Amazon app, but there are 2 easy workarounds.

Replace the Amazon app with a link to the Amazon Smile mobile page.

1. navigate to smile.amazon.com on your Safari . 
2. On an iPhone, press the “share” button, then select “Add to HomeScreen.”

2. Add all of your items to your cart using the Amazon app, then checkout using either your mobile browser, or a desktop browser.

And you're all set to shop at Amazon while making a difference in the lives of kids!
